

PRESENT PROJECT

About Us

Arbat38 Group of Companies, founded by Seymur Aslanov in 2014,

is involved in distribution, franchising, and partnership projects. It also develops its own projects at Russian airports such as Sheremetyevo, Domodedovo, Vnukovo, Pulkovo, Tolmachevo and others.

Currently, the company manages over 61 projects, including both its own and franchised ventures. Of these, 43 have already been successfully implemented, and 18 projects are in the launch stage.

The company's strategic plan aims to develop and expand its activities in the air hubs of Russia and abroad.

Arbat 38 Group of Companies is a dynamic team of top specialists dedicated to continuous development and growth. Currently, our holdings encompass various sectors:

- ✦ We strive to build and nurture successful businesses with strong profitability and competitiveness.
- ✦ Our focus includes the creation and development of both proprietary and partner projects within the retail and restaurant sectors.
- ✦ We implement pre-existing products while ensuring their sustained success in the market.
- ✦ Additionally, we specialize in building brands from the ground up and spearheading projects in advertising, perfumes, and other product lines.

HoReCa

A large-scale project with multimillion-dollar investments, which has created a fundamentally new format of recreation: here sketches of leading actors of Moscow theaters are combined with haute cuisine in a gastronomic performance. Located on the waterfront, the restaurant impresses with its scale and an atmosphere of luxury for the most sophisticated guests.

Turkey, Bodrum, Yalikavak Marina.

BELUGA CAVIAR BAR

A unique place inspired by the American Art Deco style - the combination of geometric shapes, metallic shine and velvet will remind you of the great age of jazz and luxurious parties. In the menu, service and interior, we have embodied the experience of the best caviar and vodka bars of Moscow, London, New York and Singapore. Guests of Beluga Caviar Bar can enjoy the selected traditional Russian caviar combined with real masterpieces of author's cuisine.

International Departures Area.

VASILCHUKÍ

One of the most popular lounge restaurant chains in Russia with a unique atmosphere. Authentic cuisine allows chefs to create masterpieces on a charcoal grill, in a tandoor, and pizza oven. The menu includes cosmopolitan dishes and drinks, the restaurant's brand chef always surprises guests with author's seasonal dishes.

ABRAU *Caviar* BAR

For sophisticated guests, we suggest starting a visit to the caviar bar with a welcome set with champagne created by famous chef bartenders of Russia. The play of bubbles is similar to the sensation of bursting caviar eggs on the tongue, the delicate saltiness of the caviar is perfectly set off by the restrained, refreshing sourness of the noble drink.

BLACK STAR BURGER

An international burger chain with a focus on modern style. The sensational name of the Black Star Foods' founder attracts a huge number of loyal visitors to the restaurant, thereby enabling it to grow on a large scale and maintain the quality of the product at the highest level. The brand chef has relied on the freshness and naturality of ingredients and on original serving: black gloves for each burger were suggested by him.
